REMARKS TO APPLICANTS' LETTER RE: MISSING PRIORITY DOCUMENT

Applicants' submission stating that the priority document FR 0208766 was already on file with the Office has been considered and reviewed by the Examiner. The filing of said document was inadvertently overlooked by the Examiner, but is acknowledged as being on file with the Office (e.g. Notice of DO/EO mailed). In response to Applicants' concerns, a supplemental Notice of Allowability is being issued correctly reflecting that there are no outstanding documentation issues remaining.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey T. Palenik whose telephone number is (571)270-1966. The examiner can normally be reached on 7:30 am - 5:00 pm; M-F (EST).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert A. Wax can be reached on (571) 272-0623. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
